

**We are pleased to welcome
Ashley B. Porter, MD to our practice.**

Dr. Porter grew up in Martin, TN. After receiving her undergraduate education at Union University, she completed medical school at the University of Tennessee Health Science Center in Memphis, TN. Dr. Porter stayed in Memphis for her residency in Anatomic and Clinical Pathology, and served as chief resident. While at UT she was elected to AOA, (Alpha Omega Alpha Honor Medical Society). Dr. Porter then completed a Fellowship in Selective Surgical Pathology at Washington University/Barnes Jewish Hospital in St. Louis, MO. She maintains an interest in all areas of surgical pathology, with particular interest in breast, gynecologic, and gastrointestinal pathology.

We are excited to add her to our group of distinguished physicians.

For more information, please contact: Ann Turpin or Elise McAlexander (901)542-6800.
